

Hope Christian ACADEMY

At **Hope Christian Academy**, our commitment is to provide your young child with first-rate early childhood education that is firmly rooted in a Christian-based curriculum. We also understand that each child has his or her own intellectual, social, and emotional needs and we aim to meet all of those needs as well. Also, at **Hope Christian Academy**, you can expect:

- ✓ **Professional educators.** At **Hope Christian Academy**, you can rest your mind knowing that all of our educators are experts at providing top notch early childhood education. They are experienced and dedicated professionals who want to help foster your child's education and growth.
- ✓ **Christian-Based Education.** Aside from fostering your child intellectual and mental growth, we at **Hope Christian Academy** want to foster your child's spiritual growth as well. This is why you can rest your mind knowing that we have a Christian-based curriculum as our basis for education.

About Us

We at **Greater Hope Ministries, Inc.** aspire to be an institution that is able to provide the best early childhood education that your child deserves.

From providing daycare/preschool services; to before and after school care; to summer camp; and to Sunday school – we make sure that all of our services at **Greater Hope Ministries, Inc.** are well-suited for your child's needs.

By providing these services, we hope to aid in the overall growth of your child:

- ✓ Conceptual and Cognitive Development
- ✓ Communication and Early Language Skills
- ✓ Physical Motor Skills Development
- ✓ Socialization Skills
- ✓ Fostering Emotional Skills
- ✓ Executive Function, Task Completion and Focus

Services

- ✓ Children and Youth
- ✓ Preschool is 0 - 5 years
- ✓ We offer grades K-12, are accredited, and
- ✓ Accept the McKay and Step Up For Students Scholarships
- ✓ Summer Camp Enrollment
- ✓ Transportation is available
- ✓ We are very diverse to widen your child's experience

Children and Youth

The youth is our future – this is a quote that we believe in at **Hope Christian Academy (K-12) and Bright Start Preschool (0 - 5 years)** This is why we provide a reliable Christian-based curriculum at our academy – the **Hope Christian Academy (K-12) and Bright Start Preschool (0 - 5 years)**

We offer grades K-12, and we are accredited. We accept and offer scholarships. Transportation is available. Our Bright Start preschool is State Approved. Very diverse to widen your child's experience.

At the academy, we aim to foster your child's overall growth – physically, mentally, and spiritually as well. In fact, here are some reasons why you should definitely entrust your child's early education with us:

We encourage growth. For a lot of young children, preschool is their first experience in an organized setting – complete with teachers and other children. It is a place where they can grow – they learn to follow instructions; to share; and so much more.

Social growth. As a reputable early childhood education provider in Jacksonville, Florida, we, at both our academy and daycare are proud to say that we have garnered the trust of many families. This is why when you enroll your child with us, they will be able to socialize with other children their age. This allows them to develop social growth and we are here to help foster it as well.

Spiritual growth. Both our academy and daycare want to foster your child's spiritual growth as well. This is why our curriculum is based on Christian-education as our foundation.
